-DONOR FORM-

“One Special Christmas” is an annual auction benefiting the children of our communities. Our process is unique in that we actually ask the children what they would like instead of what mom and dad think they should have. This makes it truly “**One Special Christmas**” for the child. Since 1989 we have raised over \$800,000 to provide Christmas to children with the help of donors like you. Thanks for your contribution!

Donor form: Please enter all requested information and attach this sheet to artwork upon submission.
